As part of my online harvard course , Poetry in America , that will go out internationally to students worldwide. The course is free , although a students may pay for a certificate of completion and the course will also be offered for graduate credit next year and into the future.

I would like to get from permission to use in this course to permission to use in my tv show ( we have already taped a poet on the same text ) but first things first . First the course .

This is a highly dignified enterprise .
