Dear Jeffrey,

Here's the link to the Whitman module. Larry told me that you'd very kindly asked about it. We just launched yesterday but already going on 14,000 students!. If you register, using this link, you'll automatically get the link to each new batch of material in your email. This week's intro is pretty light. 2 short lectures, a lot of poems and a launch of the discussion board, already active.
